Wine, Dine and Pamper your Valentine..... at the stylish and seductive Blythswood Square

Don't hold back this Valentines Day show that special someone how much they mean to you and spoil them rotten at the stylish, seductive and luxurious 5* Blythswood Square.

A Valentine's break at Blythswood Square ticks all the boxes for a romantic break beginning with an indulgent box of delicious chocolates and a bottle of Champagne on ice on your arrival, a three course dinner, and full Scottish breakfast the following morning plus an Ila Chakra Well Being Connect treatment for two, completes the package.

Chakras are the seven energy points in the body that due to the stress and strains of normal modern day to day living can become out of balance. The Ila Chakra Well-Being treatments are designed to rebalance these key energy points using blends of essential oils chosen for their harmonising qualities. The Connect treatment lasts for a full 60 minutes and uses the most exquisite oils of rose (the oil of love), orange blossom (bliss) and jasmine (for stimulating the flow of love) which when combined results in a beautiful connection of mind, body and spirit – the perfect treatment to ensure your Valentines break leaves you feeling energised, refreshed and in total harmony with your loved one.

The Valentines Break is priced from £415 per room per night based on two adults sharing a Classic bedroom.
